HELLO, CUTIE!

Jan. 21

There he is! Nearly a year after giving birth, **KYLIE JENNER** posted photographs of her son's face on Instagram for the first time and finally revealed his moniker: **AIRE** (pronounced "Air"). The tot — whom she shares with rapper Travis Scott — was originally named Wolf last February before Mom decided "it just wasn't him."

WHAT (REALLY) WORKS

Tom Sandoval & Tom Schwartz Set the Record Straight!

NAVIGATING VALENTINE'S DAY

They say it's the thought that counts, but if there's one thing these two die-hard romantics—**Tom Sandoval** and **Tom Schwartz,** *Vanderpump Rules*—have learned after a lifetime in the service industry is that if you really don't want to screw up that grand romantic gesture, maybe the best bet is to opt for a mocktail. That's why everyone seems to be cueing up the **Hydroxycut Drink Mix**. Easy, convenient, fun and delicious, each on-the-go sachet has no sugar and no calories. Plus, packed with extras including essential vitamins and caffeine, a Hydroxycut Drink Mix mocktail gives even the most arduous last-minute shopper "that extra boost" needed to tackle the "I forgot to buy flowers" run. So, whether it's matters of the heart, or any matter, always be on your game. Hydroxycut Drink Mix. Anywhere. Every day!

On a Valentine's Mocktail

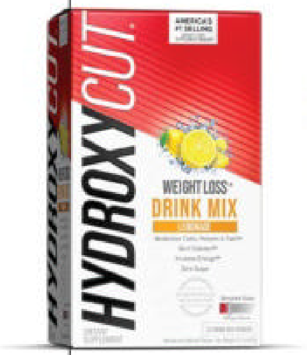
Tom vs. Tom

	TOM SANDOVAL	TOM SCHWARTZ
On Love	*Love should be in the air even if you're single.*	*I am going to fall in love with myself all over again. There will be no pity party.*
On the Big Day	*Plan something you both want to do. For Arianna and I, it's about ordering in, hanging in bed and cueing up a movie marathon.*	*My tips: Make reservations early. Get flowers before the big day, it creates a vibe. Go with a group vs. two; it's easier to get a table and in most cases more fun.*
On Keeping It Real	*Don't fall asleep with candles lit.*	*Don't overthink Valentine's Day.*



On Making Things Easy & Convenient

Jeremy's ROAD TO RECOVERY

Counting his blessings! Jeremy Renner took to social media on Jan. 21 to share a health update after being released from a Nevada hospital following a snowplow accident that nearly claimed his life on New Year's Day. "Much love and appreciation to you all," the actor, 52, captioned a photo from a recent physical therapy session. "These 30 plus broken bones will mend, grow stronger, just like the love and bond with family and friends deepens." Fellow Avengers Chris Hemsworth and Chris Evans chimed in, offering words of encouragement to the *Hawkeye* star. "[You're] a champion, mate!" commented Hemsworth. Meanwhile, Evans joked, "That's one tough mf'er. Has anyone even checked on the snowcat?" The official incident report reveals Jeremy was towing his nephew's truck out of the snow when the PistenBully began to roll down a hill. After jumping off the snowplow, he realized that it was headed straight for his nephew and tried to climb back in, but was crushed underneath the 7-ton machine. "Doctors say it could take up to two years for Jeremy to fully recovery from his injuries," a source tells *Life & Style*. "But despite the obstacles that lie ahead, he's choosing to focus on the positive. Jeremy knows just how lucky he is to still be alive." L&S

Brooke's SEXUAL ASSAULT BOMBSHELL

BROOKE SHIELDS
ORIGINAL TWO-PART DOCUMENTARY COMING TO hulu

"I did not know if or when, or if at all, I was ever going to bring this up," said Brooke.

In her new documentary, *Pretty Baby*, Brooke Shields reveals that she was raped in her 20s. After graduating from Princeton University in 1987, the *Blue Lagoon* beauty, 57, was eager to return to acting but struggled to find work. She met with a friend who she thought could help and after dinner was invited back to his hotel room to call a cab. "I just absolutely froze," Brooke said of the assault. "My one 'no' should have been enough. And I just thought, 'Stay alive and get out.' And I just shut it out." It took years of therapy for Brooke to come to terms with what happened. "I wanted to erase the whole thing from my mind and body, and just keep on the path I was on," she said. "The system had never once come to help me. So, I just had to get stronger on my own."

Drum roll, please!

MILES TELLER

The *Whiplash* star got his very first drum set when he was 15 years old. "Friends coming over would always know there was a mini-circus going on," said Miles, who played in a rock band called the Mutes in high school. "I never had a house where my parents would say turn it down."

Carrie's BEST BODY EVER

No gym, no problem! "At home, I'll do lunges as I go from one room to the next," said Carrie.

Strong is the new sexy, just ask Carrie Underwood! "I feel like earlier in my career I was working out more to be a certain size or fit into a certain aesthetic that I thought I wanted to be," the country music superstar, 39, admitted. "And now I feel like I work out more [...] to have energy and longevity." In addition to running on the treadmill, lifting weights and doing band exercises, Carrie sticks to a vegan diet — well, most of the time. "I'll never eat meat again because I look and feel better without it," the "Blown Away" singer insisted. "[But] sometimes you're at a birthday party and there's cakes...and, you know, you can't resist."

He's not your man! Adam has some reservations about Theo taking on the lead role.

George Michael BIOPIC BATTLE

A George Michael biopic is reportedly in the works — and Theo James wants in! "I would love that," the actor, 38, said of portraying the late Wham! frontman on the silver screen. However, Adam Lambert doesn't have a lot of "Faith" in Theo's casting. "Yay another straight man playing a gay icon," sniped the *American Idol* alum, 40. "There's a battle brewing," blabs an insider. "Theo isn't even officially attached to the movie, and it's already causing quite a frenzy in Hollywood, with some saying that an out actor like Zachary Quinto, Cheyenne Jackson or Matt Bomer would be the better choice."

"Becoming a single mom took some adjusting to, but it's made Kelly an even better parent," says a source close to the *Voice* coach (seen here with her two children).

Kelly HAPPY ON HER OWN!

Once was more than enough! Kelly Clarkson confessed that she will never walk down the aisle again after her nasty divorce from husband Brandon Blackstock. "I'm enjoying it," the "Stronger" singer, 40, said of being single. "You're heartbroken [at first], but once you get past all that, you're kind of like, 'I like this whole bed!' I was like, 'This king bed just became a queen!'" It didn't take long for things to get contentious between her and the former talent manager, 46, after they split in 2020. The couple, who share daughter River Rose, 8, and son Remington, 6, spent nearly two years in court battling it out over everything from custody to property. With the divorce now finalized, "Kelly's happier than she's been in a very long time" a source tells *Life & Style*. "She's realized that she doesn't need a man to complete her." Should the right guy come along, however, the *American Idol* alum "would be open to seeing where it goes," the source adds. "Kelly likes to joke that she's enjoying not having anyone to answer to, but she isn't dead inside. She still believes in love despite everything." L&S

Riley's BABY JOY & HEARTBREAK

At Lisa Marie Presley's memorial service, son-in-law Ben Smith-Petersen revealed that he and Riley Keough secretly welcomed their first child. "I hope I can love my daughter the way you loved me," he said, delivering a eulogy on behalf of the *Daisy Jones & the Six* star, 33, at Graceland on Jan. 22. While Lisa Marie's tragic death has cast a somber cloud over what should've been a happy time for the proud new parents, their bundle of joy has brought them comfort, shares a source: "She's the only thing helping Riley get through this difficult time."

Tatt-Who? PETE ERASES KIM

Pete Davidson's been laser focused on removing traces of Kim Kardashian from his life since the couple called it quits in August. New photos of the shirtless *Saturday Night Live* alum, 29, vacationing in Hawaii with girlfriend Chase Sui Wonders show that he's gotten rid of several tats that were dedicated to the reality star, 42, including "my girl is a lawyer" and the initials of her four kids. While this is par for the course for Pete — he also covered up his Ariana Grande ink after their 2018 split — Kim's taken the tattoo removal as a dig, says a source: "They might not be together anymore, but she likes to leave her mark."

Reese's Flexible Schedule

Type A Reese Witherspoon, 46, isn't one to procrastinate, but balancing acting, producing, family time with husband Jim Toth, 52, and son Tennessee, 10 (plus her adult kids: Ava, 23, and Deacon Phillippe, 19), and self-care is still a challenge. She prioritizes fitness "by getting on her yoga mat first thing in the morning for at least 20 minutes," says a source, adding that Reese also sneaks in extra stretches and yoga poses in her office between meetings. "It's a habit now, like brushing her teeth." One thing she won't do as a shortcut? Reese insists, "I don't believe in crash dieting."

The mother of arm goals!

Learn the hacks that help stars maintain their enviable bods

ETS!

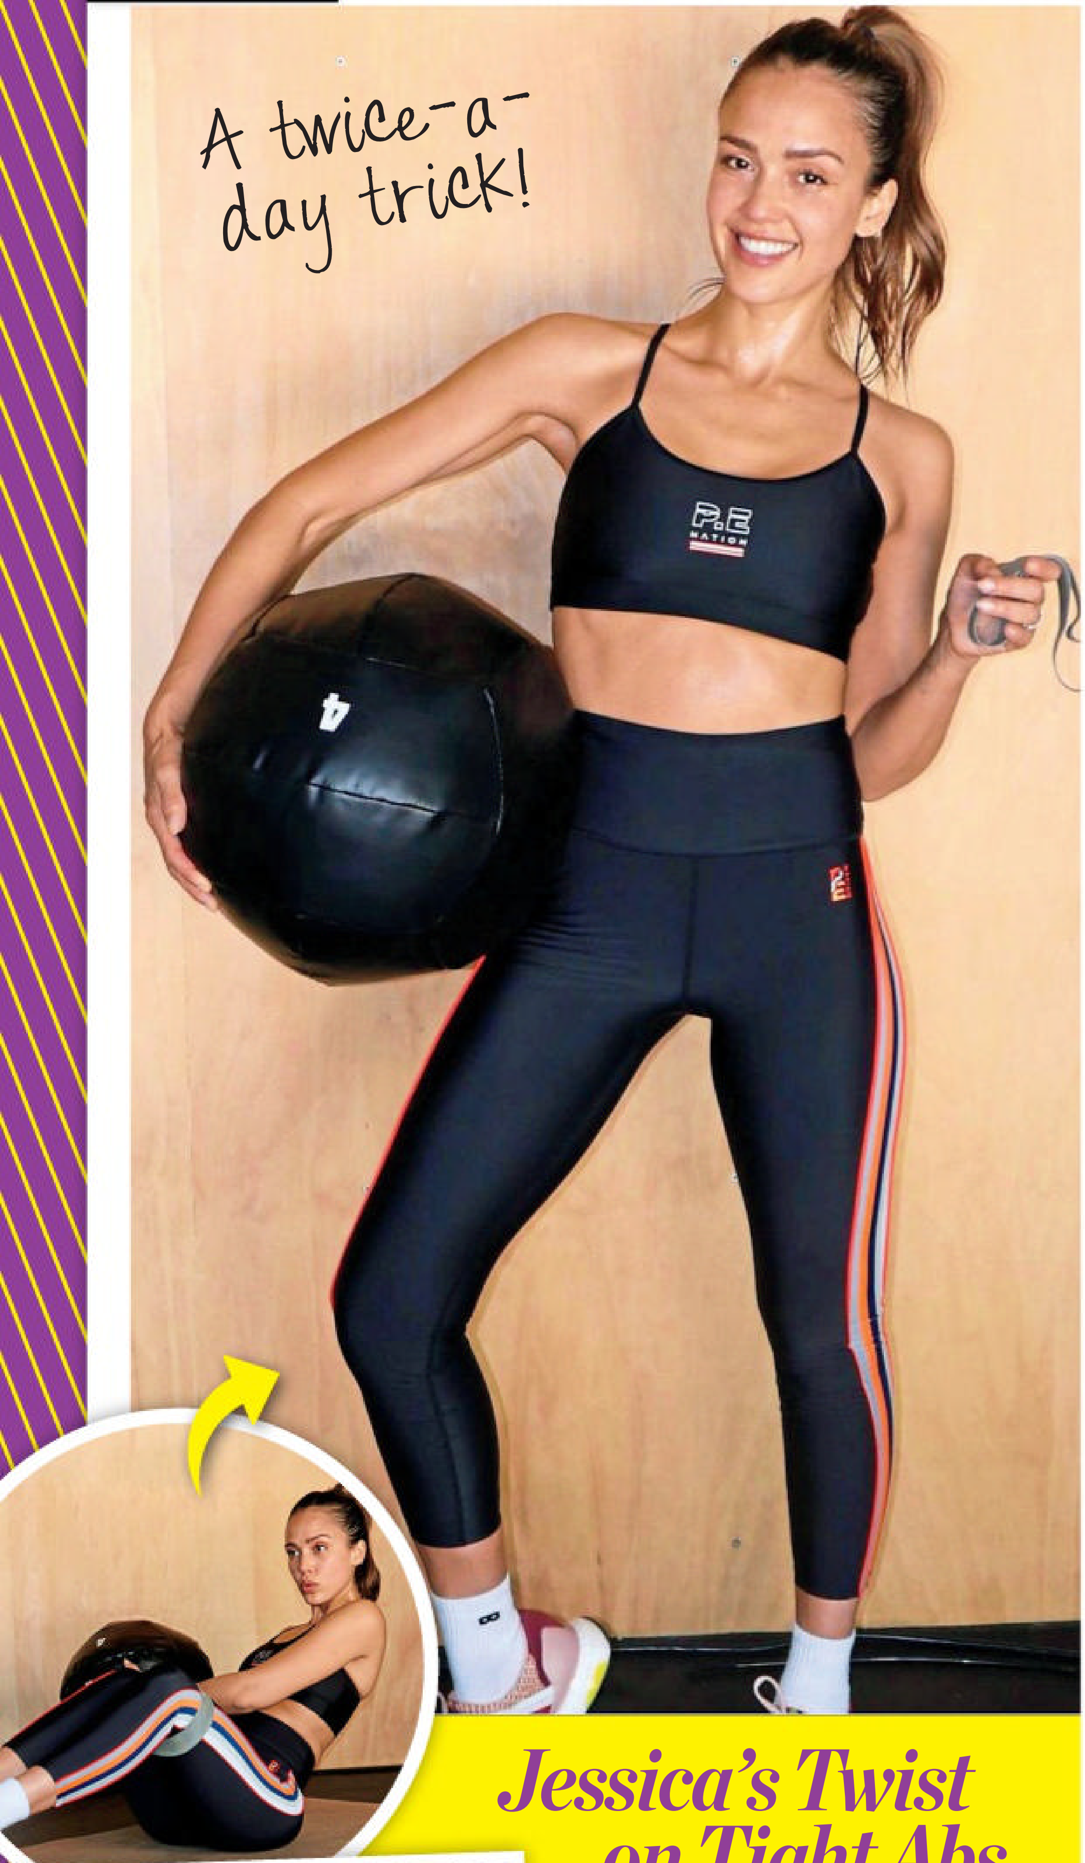
Jen Tones in Record Time

Before she was a devoted mother of three, Jennifer Garner, 50, was an action star. “She still does a nine-minute arm workout she learned back when she was on *Alias*” in the 2000s, says an insider, calling it “her old standby” when she’s pressed for time as she shuttles around Violet, 17, Seraphina, 14, and Samuel, 10, her kids with ex-husband Ben Affleck, 50. “She does overhead lifts, chest pushes and hammer curls with 5- to 10-pound weights.” The results are impressive. “Have you seen Jen’s arms?” marvels the source. “They’re one of her best features.”

Perfecting her curves!

Beyoncé’s Satisfying, Low-Cal Smoothie

She weighed 218 pounds the day her twins, Rumi and Sir Carter, were born in 2017. Months later, with the scale reading 175, Beyoncé, 41, famously began a controversial 44-day plant-based diet — “no bread, no carbs, no sugar, no dairy, no meat, no fish, no alcohol,” she said — to shed the rest of her baby weight before taking the stage at Coachella. Now, however, “Bey’s go-to shortcut to drop weight and feel good is a 100-calorie smoothie — frozen banana, unsweetened oat or almond milk, half a date, cinnamon and a bit of nonfat yogurt,” says a source of the singer, who also shares Blue Ivy, 11, with husband Jay-Z, 53. “It satisfies her taste buds and gives her energy to work out. She swears by it.”



A twice-a-day trick!

Jessica's Twist on Tight Abs

After giving birth to three children — Honor, 14, Haven, 11, and Hayes, 5, with husband Cash Warren, 44 — Jessica Alba, 41, "is proud of keeping her tummy tight," says a source. "She has this 10-minute ab workout she tries to do every morning and night." Jessica holds a medicine ball while doing multiple reps of both a single-leg V-sit as well as a series of oblique twists. "She takes 15-second breaks in-between," adds the source.

Mindy Follows Simple Rules

Mindy Kaling, who's a single mom to Katherine, 5, and Spencer, 2, dropped a reported 40 pounds in 2022 — and her slim-down secrets aren't rocket science. "I eat what I like to eat," the writer-actress, 43, said. "I just eat less of it." She also realized workouts don't have to be "punishing," explaining: "A walk is a good form of working out. You don't need to be soaked in sweat."

Gabrielle Gets Up Early

Workouts can be lonely for Gabrielle Union, 50, since "most people don't want to wake up at 5 a.m.," she's said. But training before daughter Kaavia, 4, and husband Dwyane Wade, 41, are up means she doesn't get distracted. Another easy hack? Gabrielle flushes out toxins and revs her metabolism by drinking a gallon of water a day!

Her Dream Come True!

The heiress has said that her IVF journey with Carter was "tough" — but the end result was worth it. "I really do believe that having a family and having children is the meaning of life," says Paris.

Paris A Baby at Last!

At the age of 41, Paris Hilton has welcomed a son with husband Carter Reum

Babies have been on Paris Hilton's brain since tying the knot with Carter Reum in November 2021. She even had a birth order in mind for their future children. "A boy first," she told E! last year. "I always wished I had an older brother because I feel like if I did, they would protect me."

Now the DJ's dream has become a reality. On Jan. 24, Paris announced that she and Carter, both 41, had welcomed a son via surrogate. While she didn't reveal birth details or a name, the *Simple Life* alum shared a photo on Instagram of the infant's hand wrapped around her thumb, with the caption: "You are already loved beyond words."

"This moment is extra special to Paris and Carter because of the lengthy journey they went through — trying to conceive naturally, going through rounds of IVF without success and eventually using a surrogate," explains an insider. "Paris and Carter have truly never been happier!"

MONEY'S NO OBJECT

So it's no surprise that Paris isn't holding back when it comes to giving her little boy the best of everything. "The nursery is typical Paris style — expensive and over-the-top with touches of gold," spills the insider. "It must have cost at least $1 million! She hired top interior designers to bring her vision to life, and just like Mom, Paris' son has his own walk-in closet full of designer clothes."

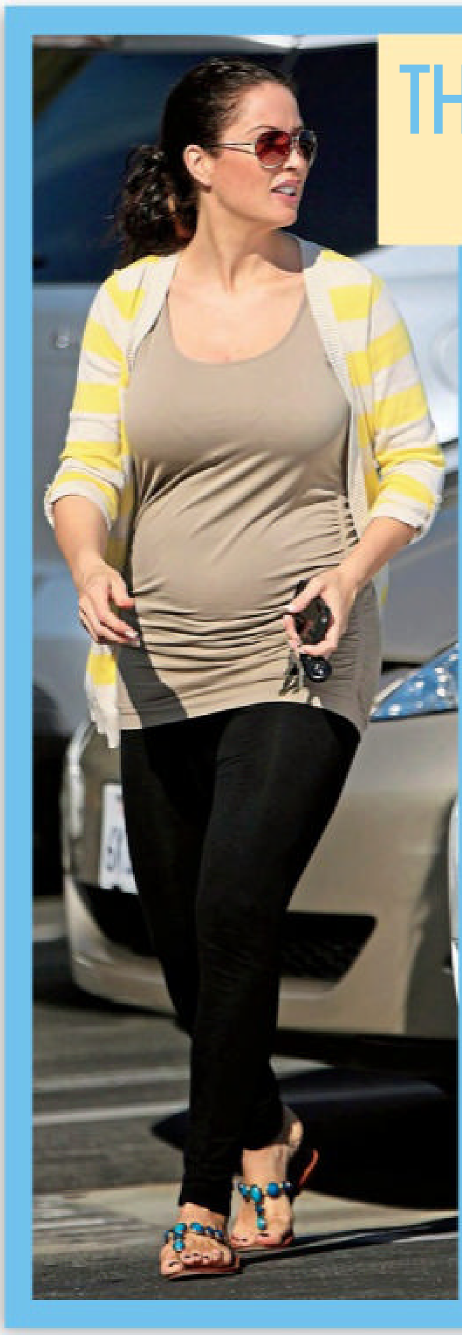
Also just like Mom, he already has logged time in front of a camera. "Just days after the baby was born, Paris brought in a photographer to snap family portraits," says the insider. "The pictures are framed throughout her and Carter's house, plus she made announcement cards out of them to send to friends."

Buddies, including Demi Lovato, Chrissy Teigen, Lindsay Lohan, Kris Jenner and Naomi Campbell, have offered public congratulations. "Her home is filled with flowers, gifts and toys sent from all of Paris' celeb pals," shares the insider, noting that Kim Kardashian — who offered the reality TV veteran advice on in vitro fertilization as well as surrogacy — "sent Paris the biggest arrangement of blue and white flowers and some cute cupcakes."

Grandma Kathy Hilton is ecstatic with the news, too. "Paris' mother has practically moved in," says the insider. "She's obsessed with her grandson and has showered him with enough toys for a whole school."

But Paris understands that being a good parent takes more than stuff. "She was raised by an entourage of nannies, so she's doing things differently," claims the source. "She's not just going to pass off her child to a stranger. She's been getting up at all hours to do the feedings and getting her hands dirty with diaper changes!"

THIS IS CARTER'S *SECOND* KID

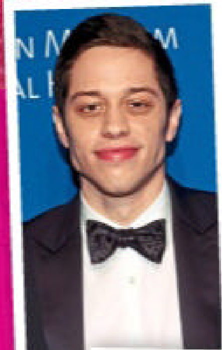


Though Carter previously welcomed a daughter, he's no parenting expert. In 2021, it was reported that the venture capitalist had a 9-year-old, Evie — whom he'd only met once — with former reality star Laura Bellizzi. "Carter supports this child," a spokesperson insisted at the time. "While he does not have a traditional father-daughter relationship with her, he has provided for her since she was born." According to her mother, Evie wants more than financial support. "It takes a village to raise great kids," said Laura, adding that both Carter and Paris have an "open invitation" to be more involved in the little girl's life.

Here Come Spring Brid

Kate's BACKYARD AFFAIR

A destination wedding? Not for Kate Hudson, 43, and Danny Fujikawa, 36. According to an insider, the engaged pair are set to hold a marriage ceremony at their Malibu house in the coming months. "They want to say their 'I do's in a chill environment," explains the insider, noting the familiar Cali location makes things easier on their daughter, Rani, 4, and Kate's two sons, Ryder, 19, and Bing, 11, as well. "It's all planned — she has a Stella McCartney dress, the vows are written, and the food will be catered by Kate's favorite restaurant, Nobu!"



Megan STARS & GRIPES

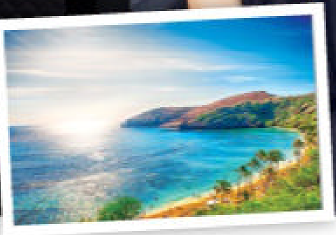
Megan Fox, 36, and Machine Gun Kelly, 32, are hard at work organizing their big day this spring…or at least he is. "MGK gets the groomzilla title," reveals an insider. "He's always interfering with her plans, so she throws up her hands and lets him handle it." They *have* agreed that her three kids, Noah, 10, Bodhi, 8, and Journey, 6, and his daughter, Casie, 13, will be in the wedding party. "The rest of the guest list is mostly friends and family," says the insider. "Pete Davidson's rumored to be best man, and Travis Barker and Kourtney Kardashian are invited, too."

the
es!

With their weddings only weeks away, these famous ladies are busy checking off their to-do lists...

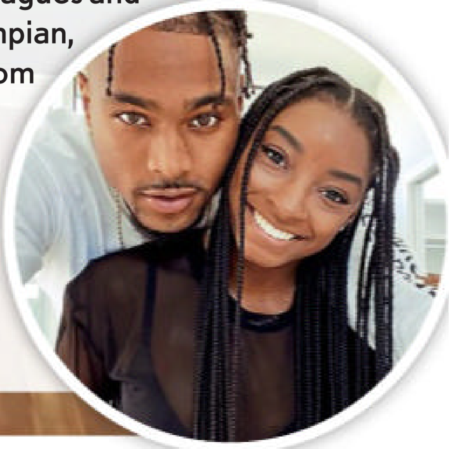
Avril's
ROCK-STAR NUPS

Experience isn't making planning easier for Avril Lavigne, 38, and Mod Sun, 35. "Even though this is her third wedding, she's still a nervous wreck," says a source. "Mod has his heart set on a blowout, rock 'n' roll wedding." It'll take place in Hawaii this spring, and Avril designed her own frock – "white but very edgy," teases the source. "They want a 10-tier cake, plus they'll serve her guilty pleasure: poutine, french fries and cheese curds topped with gravy!"



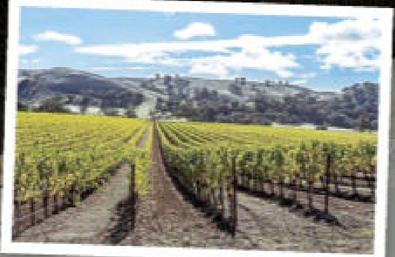
Simone
FUN & DONE

The "I do" details were no competition for Simone Biles and Jonathan Owens. "Everything is done," says an insider. "She had a dream board and hired a planner. It's going to be a big, fun Texas wedding with their families, his football colleagues and her gymnast friends." The Olympian, 25, will wear multiple gowns from designer Galia Lahav, while Jonathan, 27, has a black Tom Ford tux on tap. "Simone loves yellow, so lots of yellow orchids and lilies are on order," adds the insider. "They'll have barbecue, live music and a deejay."

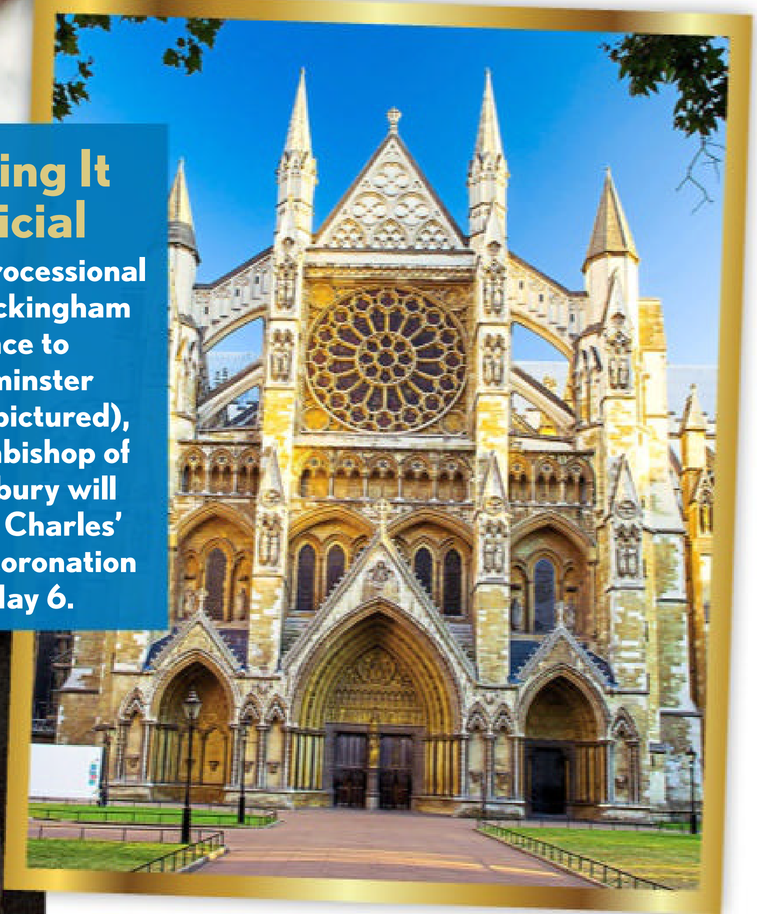


Sofia's
CHIC SOIREE

Expect music exec Elliot Grainge, 30, and Sofia Richie's vow swap at a Santa Barbara, Calif., vineyard to be über glam. "Tons of flowers, white tablecloths, candles and fine dining," says a pal, adding that Sofia's singer dad, Lionel, 73, "can't stop talking about walking her down the aisle." Alas, what the 24-year-old will wear remains a mystery. "She can't decide between dresses," notes the pal. "One is full fairy-tale princess, one is fitted, and the last is an off-the-shoulder, mermaid style."



COUNTDOWN CORONATION!



Making It Official

After a processional from Buckingham Palace to Westminster Abbey (pictured), the Archbishop of Canterbury will oversee Charles' London coronation on May 6.

It's been nearly five months since King Charles III ascended to the British throne. But the 74-year-old monarch has yet to be formally crowned following the death of his beloved mother, Queen Elizabeth II, last September at age 96.

When the moment does come later this year, it promises to be epic. In fact, Buckingham Palace recently revealed that the king's coronation will be a *three-day* affair, from May 6 to May 8, complete with a star-studded concert! "Anyone who's anyone will be there — international figureheads, kings and queens, and celebrity royalty like Tom Cruise and the Beckhams," dishes an insider, noting a reported 2,000 people will be invited to watch in person as Charles and wife Camilla, Queen Consort, 75, receive their fresh, sparkling headwear. "It's going to be a mix of new and old traditions — with plenty of flair!"

THE POMP AND CIRCUMSTANCE

Some of that flair has to do with wardrobe. "Charles is clashing with his aides over his outfit because he wants to ditch more outdated elements, like stockings and riding-style pants," says the insider. "Camilla also refuses to wear anything too stuffy — she'd rather be in Dior or U.K. designer Fiona Clare."

There will be plenty of opportunities for costume changes, though. Post-coronation, the long weekend includes a ceremonial procession and balcony appearance at the palace, plus the Coronation Big Lunch and Big Help Out — initiatives created to get the community involved — as well as the Coronation Concert. Slated to take place on Windsor Castle's East Lawn, the music special will be broadcast live on the BBC. "Charles is having a big say in the performers," shares the insider. "There's going to be a variety of genres represented. Diana Ross, Coldplay, Dua Lipa, Sting, Rod Stewart and Barbra Streisand are all on Charles' wish list."

While all of the U.K. is welcome to much of the celebration, the king's own son might not be. "The general palace consensus is that Prince Harry and Meghan Markle should be banned," says the source. "No one wants them ruining Charles' moment after all of the *Spare* drama." Things don't look much better for his brother, Prince Andrew. The scandal-plagued duke, 62, has reportedly been kicked out of his royal suite at Buckingham Palace by Charles. "The coronation is fast approaching," says the insider. "So who's in and who's out will come to light very soon!" L&S

SURPRISE! EUGENIE'S PREGNANT

Princess Eugenie, 32, is expected to be there for the big day — sporting a baby bump! On Jan. 24, the king's niece announced that she and husband Jack Brooksbank, 36, are expecting their second child this summer. The couple's son, August, 2, "is very much looking forward to being a big brother," according to a statement from Buckingham Palace.
